

CENTRAL KEYSTONE FEDERAL CREDIT UNION: Now with over 4,000 Branches Nationwide!

If you're a member who travels or find it inconvenient to visit a credit union branch, you'll be pleased to know you can now access your credit union account at over 4,000 CU Service Centers nationwide.

A CU Service Center is a stand-alone or credit union branch that "shares" account access through the CU Service Center Network. That's right – Sharing. It's a concept you don't hear about a bank. While they're busy merging into larger and larger corporations, we're focused on providing you with convenient, personalized service that only credit unions can deliver.

Using a shared branch provides you with the same convenient, personalized service you've come to expect from Central Keystone FCU. A CU Service Center is different than an ATM, it is a fully-staffed branch office where you can conduct access your account with the assistance of real people.

To find any CU Service Center location in the country, visit www.cuservicecenter.com. You can also call 800-919-2872 for the location nearest you.

When visiting a CU Service Center, simply provide the teller with:

- The name of our credit union: Central Keystone FCU
- Your account number: Please note that you must use you full savings account number. For example: if your account number is 1234-011 use 1234011 (no dash is required)
- A valid photo ID

The teller at a CU Service Center will be able to access your account here at Central Keystone FCU. You'll be able to conduct as many deposits, withdrawals, transfers, or loan payment transactions as you like. It's that easy!

Accessing your account through a CU Service Center is perfect when you're traveling on business or vacation. And if you are relocating, there's no need to leave your credit union. Whatever your situation, there's always a CU Service Center close by!
